

Santiago Pereira

Programmer / Web developer Jr.

IT ACADEMIC INTERNSHIP PROJECTS

I have been involved in several academic projects while studying, and you can see the details on my GitHub profile. In all of them, I have been a collaborator alongside my fellow classmates, responsible for the website's functionality, implementing login systems with specific requirements, comment lists, and product rating features.

Check out my GitHub profile at: <https://github.com/ss-pereira>

WEB DEVELOPMENT WORK EXPERIENCE

I currently lack work experience in the field of information technology. My goal is to start working in this area, demonstrating my skills, and adding value to my work team.

Check out my web cv at: <https://ss-pereira.github.io/cvSSPereira/>

GENERAL WORK EXPERIENCE

Warehouseman 2022
Juki Uruguay

I worked as a warehouseman for the wholesaler Juki Uruguay, doing tasks of registration and sales, inventory control and warehouse order.

Delivery Driver 2022-2023
Tienda Inglesa

I worked as a delivery driver for Tienda Inglesa to clients home, my tasks consisted of charging at the point of sale, registering deliveries and depositing cash.

Warehouseman 2023
Granel S.A

I worked as a stockist for the natural and vegan products store Granel S.A. My tasks consisted of assembling orders, ordering the premises and parking the company vehicle at the end of the day.
